Inventory of Client Assets

The purpose of this form is to ensure the safety of each client's assets. This form is to be used to inventory all items such as clothing and personal belongings.

After the inventory is completed, then a plan should be written to identify **where the items will be kept**. For example, will they be kept at the Treatment Foster Home, or stay at a relative's home for safekeeping.

List of Clients belongings:

Plan for Client's belongings:

Client Signature Date Legal Guardian Date

Treatment Coordinator Date Treatment Foster Parent Date
