

**Red Mountain Family Services, Inc.
Treatment Foster Care Program**

We are recruiting interested families who would like
to be trained and licensed to
provide Treatment Foster Care to children
ages four to nineteen.

These children have behavioral health problems and will rely on you in assisting
them in changing their behaviors.

In order to be licensed you must complete the following:

Criminal Records Checks

A Home Study

40 hours of training

Be willing to work collaboratively with professionals

***Understand that your home is to be a therapeutic environment for the
treatment foster child placed with you***

If you are interested please call:
